Personal Description:

I am energetic, optimistic, non-smoking, non-drinking and loving life. I love children, so if you have children, I am sure I will be fine with that. I hate mess and love order in everything in my life, including my room. I am passionate about sports and eating, especially meat and dairy. Well, but I have some minuses either - I am an early - sleeping person, so if you like the night talks or parties - I am not the right neighbour.

Hobbies:

Sports, eating, singing, traveling, roller coaster!

**Favourite Music and Movies:**

I like sitcom, comedy, chat show and amusement shows, rather than horror films and tragedy.

As for the movie, 'The Truman Show' ranks top one as my favorite.

The craziest thing I've done in my life:

Rushing into the stage and singing together with my idol on her concert.haha.

Things I like:

I like making friends with those who are passionate, responsible and outgoing.

I like making plans and dividing them into steps every day.

I like being seized by a sudden and weird whim.

Things I don't like:

I hate lies, not punctual, immature and irresponsible.
