Country: Indonesia

Languages: Indonesian, English,

Personal Description: I am really eager to learn something new, such as culture, new places, or food, so feel free to tell me about everything! ☺ I am a nonsmoker, nondrinker, and am not used to night parties. At first, I may be a little bit shy, but actually I am really friendly and am happy to make new friends.

Hobbies: I love traveling, listening to music, watching movies, and surfing the internet.

Favourite Music and Movies: For music, I really enjoy listening to classical music, carols, or classical crossover. I also love Korean pop and pop music (depends on the songs). And for movies, I enjoy comedy, action (sometimes), romance, but really avoid watching any horror movies.

The craziest thing I've done in my life: When I was in high school, we had mid-term test which lasted for a week. At that time, I really into movies that I always watched that during exam week for 8 hours in a day! Fortunately, I managed to study in a little time and got good grades :p

Things I like: I like to visit new places and trying all kinds of transportation modes, even walking, and trying foods that I haven't tried. I like it also if I have time in a week that I can be alone and do my hobbies.

Things I don't like: I don't like being near the one who smokes, and, not that I hate them, I wish I don't be near dogs or cats, as I am not really that friendly towards them.

Life Motto: Ora et Labora (pray and work)
